Northwest Missouri State College Symphonic Band—Earle I. Moss, Conductor

Above is pictured the Northwest Missouri State Concert Band which will be on in the College district tomorrow and Friday. Members of the band are as follows: First row—G. Funkhouser, G. Green, R. Eberle, B. Ball, G. Chaney, K. Hop- B. Stuber. Second row—O. Morrison, N. Bergstrom, L. Cramer, E. Riedl, R. er, A. Roberts, A. Linn, D. Jensen, D. Mains, M. McClure, L. VanMeter, P. Bush, Cochran, F. Whitford. Third row—J. Goodson, J. Mahoney, J. Troxell, F. Seat, S.

McConkey, G. Tolen, M. Ely, W. David, D. Snook, B. Myers, R. Pinkerton, J. H.H. R. Williamson, G. Marrs. Fourth row—L. Yehle, J. McIntyre, W. Gamble, P. Lambert, R. Straub, P. Guthrie, D. Bills, W. Schultz, E. Findley, S. Pittsenbarger, F. Leonard, M. Toft, L. Schwartz, E. Patterson, G. Vogel, D. Bennett, R. Dreher, D. Holland. Standing—Mr. Earle Moss, B. Julius, V. Jenkins, L. Polley, E. Mitchell, M. Watkins.

Concert Band to Visit Schools College Area in Two-Day Tour

Tomorrow, at 8 a.m., the College concert band, under direction of Mr. Earle I. Moss of the music faculty, begin a two-day tour of area high schools. This tour, sponsored annually by the Division of Field Services the Division of Music for the purpose of informing district schools about the College and its music opportunities.

According to Mr. Everett Brown, service director, the sixty-piece band will tour five high schools in the southern and east-part of the Northwest Missouri district during the two days. High schools to be included on the trip are King City, Maysville, Clinton, Breckenridge, and Jamn. An over-night stop will be made at Chillicothe, but the band will not perform there.

Mr. Moss has stated that the program for high school performances will be essentially the same as the one presented for the recent college assembly. It will feature the "Golden Anniversary March" by Mr. Moss, Mozart's overture to the Impresario, and selections from the operas of Rimsky-Korsakov conducted by the student director, Fred Whitford.

Two additional numbers will be added to the high school program, however. They are Fillmore's impressive "Storm King" march and the ever-popular "Semper Fidelis" march by the renowned John Philip Sousa.

Mr. Brown will accompany the band on tour and will speak to the high school students on behalf of the College at each stop.

Last Thursday, the band gave concerts at the Lafayette and Benton high schools in St. Joseph.

Three Students Teach Off-Campus Classes

Northwest Missouri State College has three students doing off-campus student teaching in St. Joseph high schools.

Richard Heckel and Lowell Moltenkopf are teaching shorthand and typing, respectively, at Lafayette High. Billy Mason is teaching general mathematics at Benton High.

These students attend regular on-campus classes each morning, traveling to St. Joseph at noon to be on hand for their teacher training from 1:30 to 3:30 p. m.

Sandfords to Give Recital On March 19 at Horace Mann

Mr. and Mrs. Donald Sandford, the Division of Music, will present a recital on viola and piano at 8:15 p. m., Monday, March 19, in the Horace Mann Auditorium. This recital is third in the faculty series for the Anniversary year.

Morgan Medal To Be Awarded

The "Edward P. Morgan Citizenship Medal" is to be presented by a College alumnus, Edward Pierpoint Morgan. The medal will be awarded for the first time at the 1956 commencement exercises.

Mr. Morgan, a 1934 graduate of the College, is now an attorney in Washington, D. C. He has requested that the award recipient should have a knowledge of history and social studies, ability of leadership in extra-curricular activities and effective influence on others, an appreciation of American institutions and capacity to lead in preserving their integrity.

Knowledge is indispensable, but it alone does not result in an individual capable of effective and meaningful influence upon others, says Mr. Morgan. With this in mind, he prefers that the contemplated medal should not be awarded to a proverbial "book worm," but rather to an all-around individual meeting as nearly as possible the test of the established criteria.

This award will be made annually, beginning with the 1956 commencement. Mr. Morgan has deposited funds with the College, the interest for which is to promote the medal. In making the award, Mr. Morgan stated that he hoped to add to the endowment later. The selection of the recipient will be made by a

(Continued on Page Three)

Nominating Convention To Be Held March 16

Candidates Must File by March 9; President and V-P to Be Elected

Friday, March 16, is the date set for the mass student convention for nominating candidates for the offices of president and vice-president of the student body, according to Ken Moore, president. The convention will be held at 10 a. m. in the College auditorium.

Senate Proposes New Amendment

The Student Senate proposes the following amendment to the Student Government Association constitution, to be voted upon at the general election on March 28, 1956:

That the Social Committee become a committee of the Union Board.

That the president of the student body shall appoint, with the approval of the Senate, the Chairman of the Social Committee who will also serve as Vice-chairman of the Union Board.

That the members of the committee be appointed as provided for by the Senate Constitution as amended. (last year)

That in all other respects, the committee is governed by the constitution, as amended.

Students desiring to be nominated for either office should file their names with the Registrar of the College by Friday, March 9, in order that their eligibility may be checked.

According to the constitution of the student government association candidates for either office must have at least fifty semester hours of college work, thirty of which have been in residence. They must also have attended in residence the semester previous to the election, and must have a grade-point average of 1.0 or better.

At the nominating convention no person may be nominated unless he has previously registered with the Registrar. All nominations must be made from the floor with nominating speeches not more than five minutes in length. The nominations will not cease until at least three persons have been nominated for each office unless there shall have been fewer than three persons register as candidates.

Election of these officers will take place on Wednesday, March 28. A majority count of those voting is required for election.

Mulford Resigns; Greenlaw Is Hired

Dr. J. W. Jones has announced the appointment of James P. Greenlaw to the faculty of the social science department. He began his duties last week. He replaced Dr. Harold A. Mulford, Jr., whose resignation became effective Wednesday, February 29.

Dr. Mulford, who came to the College in 1950, has resigned his position in order to do research work at the University of Iowa, Iowa City. The Iowa State legislature has passed a bill appropriating \$30,000 to study the problem of alcoholism in that state. Dr. Mulford will direct the study.

Dr. Mulford formerly came to Maryville from Oshkosh State Teachers College, Oshkosh, Wisconsin. His major field is sociology.

In a contest at Durante, Okla., Larry Ramsey and Dan Hochstein scored Forensic wins for NWMSO.

Speech and Drama Department To Present 'Hamlet' March 19

Hamlet is the talk around campus, as the harrassed playcast is constantly running from classes in the daytime to play practice at night. For the Golden Anniversary year, Shakespeare's famous play was chosen and the three presentations in the auditorium will be at 9 a. m. and 2 p. m. Monday, March 19, for the students, and at 8 p. m. Tuesday, March 20, for the townspeople.

Few people realize how much work goes into putting on a good play, and, under the direction of Mr. Ralph Fulsom, the actors are doubling as a work crew for the scenery and stage props. Every minute of spare time is put to use working on the necessary backdrops, lighting and scenery effects, and the designing and making of costumes.

All the settings are made by the crew and Mr. Fulsom. Three archways which are simply wooden frames, professionally covered with paper mache and painted to look like stones, and several stair-steps are to be used as the basic unit scenery. These will be stationary throughout the play.

Transformations of scenery will be made merely by adding or discarding certain backdrops and using lighting effects. One particular stage setting which seems

very effective is the outline of two castles far in the distance, seen through the more prominent archways in the foreground.

Mr. Fulsom has designed the costumes, and they are being made by Mrs. T. F. Palmer. Charles Hagee and Dan DeMott are in charge of making the armor and the helmets, respectively. Dan DeMott is also replacing Bud Brownfield who withdrew from school.

Those working on scenery are Elbert Blair, Jesse Masters, Wilmer Calvin, and Mrs. Bonnie Vaughn, and their helpers are Carolyn Denny, Marjorie Canon, and Gloria McConkey.

In view of the hours of work put in every phase of producing and putting on a play, the cast deserves a vote of congratulations for their efforts and co-operation. (Continued on Page Two)

Seminar Is March 15

A seminar will be held for all College students participating in student teaching at Horace Mann laboratory school on March 15, at 4 p. m. "Problems in Teaching" will be the subject of group discussions.

Elementary student teachers will meet with Miss Chloe Millikan in the Horace Mann auditorium. Secondary student teachers will meet with Mr. H. R. Dieterich in the Horace Mann library.

Opera Trip to Kansas City Is Planned by Music Division

The Music Division is planning a trip to Kansas City to attend "The Marriage of Figaro," a comic opera by W. A. Mozart. The trip will be on Thursday, March 15, and will mark the opening of the fourth annual opera festival of the Kansas City Philharmonic Association. Artists who will appear in the opera will include Mildred Miller, mezzo soprano of the Metropolitan Opera, and Luigi Vellucci, American born tenor of the New York City Opera.

For the College . . .

Missouri's state senators and representatives are working on the problem of allocating the 75 million dollars from bonds approved by the people of the state last January.

Some legislators feel that the current special session should do the whole job, while others say that only emergency needs should be met now and the rest of the money divided by the regular session of the legislature next January.

Regardless of how the allocation is handled, students of the College should do their best towards letting the legislators know our needs from the bill. Early bills introduced already cut the College's appropriation, but these bills have yet to be passed and letters to senators and representatives might help the College to get its proper quota.

Consult last week's Missourian for a list of the legislators.

Educated Driving . . .

In the traffic safety problem the alphabet plays a big part because experts say that the solution to it is found in the three "E's"—Education, Engineering, and Enforcement.

Education is the best solution because education is linked with knowledge, skill and attitude—three very desirable traits to be found in drivers. The driver who knows how to drive safely, and has the ability or skill to drive safely as well as an attitude of responsibility which causes him to apply his knowledge and skill, needs no enforcement.

Engineering makes driving more pleasant, and affords the educated driver some amount of protection from drivers who are not so well endowed.

Already this year traffic deaths in Missouri have passed the mark set in the same period last year. Let us strive to have the student body on our campus listed among the "educated" where driving is concerned.

Put'er There, Man!

Parking problems still needlessly exist on this campus. The two main complaints at the present time are the failure of drivers to observe the "No Parking" signs and the failure of drivers to use proper methods of parking in the parking lots.

"No Parking" signs that are not being observed are located in the drive-ways near the Industrial Arts buildings, in the driveway in front of Residence Hall, and in certain areas behind the Administration building. The Union drive, under control of the campus police, is no longer a problem.

The particular plan of the parking lot behind the Administration building makes it necessary to park at an angle. At present, different angles and methods of parking in the lot cause much space to be wasted.

If drivers of cars would park within a reasonable distance from other parked cars and at an angle in the direction of the flow of traffic, more cars could be accommodated in the lot.

If the persons who drive would voluntarily observe the "No Parking" signs in the drives, the campus police would be free to attend to other problems on the campus. If the spaces in the parking lot behind the Administration building were adequately chalked or marked and if the wire down the center of the lot were kept in the proper position, students could be helped in these current campus problems.

They're Talking About . . .

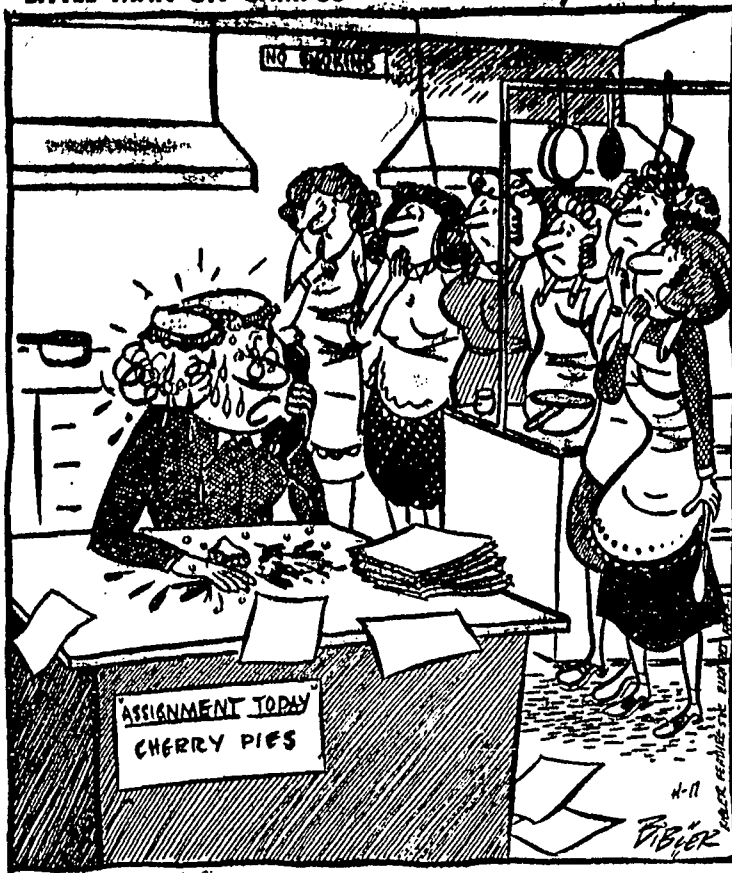

THEY'RE TALKING ABOUT Lex Creamer and Dana Sharp playing their final college basketball game . . . the senior home economics girls living in the newly decorated Home Management House . . . how the girls liked taking the boys out during Sadie Hawkins Week . . .

THEY'RE TALKING ABOUT spring being in the air lately . . . convertible tops down . . . picnics held . . . tennis season opened . . . the seniors that made "Who's Who" . . . the feline that lived in the annex of the dorm for two days . . . a new student from France . . . the law closing in on college students who don't stop for signs . . . track to be underway soon . . . when you take economic tests, just remember, "The eyes of Texas are upon you!" . . . competition between the P. E. bowling teams getting keen . . . the popular fad, having the mumps.

THEY'RE TALKING ABOUT the big decision . . . Ike's decision to run again.

LITTLE MAN ON CAMPUS

by Dick Bibler

"Hello, Records Office? Miss Slauson has just withdrawn from 'cooking' 281!"

College Band Presents Assembly

By Rolande Thompson

The College concert band, conducted by Mr. Earle Moss, entertained the student body with their annual assembly program Friday, February 24th. The good reception shown by the students toward the selections played reflects an appreciative audience as well as a wise choice by the conductor.

Featuring the Golden Anniversary March written by Mr. Moss, the band enthusiastically began the concert. Shortly following, on a more sober key came selections from the operas by Rimsky-Korsakov, conducted by Fred Whitford.

George Gershwin was repre-

ented by his "Song of the Flame," a lively, resounding piece, and selections from Mozart and Schubert were also played.

Closing with an abstract modern number, the band played "Divertimento for Band," by Persichette, which was divided into three parts: Burlesque, Soliloquy, and March. Bob Dreher, the regular trumpet soloist was replaced by David Holland.

As an encore, to the obvious delight of the audience, the band performed Harry James' jazzy "Music Makers," with Dave Holland again soloing on the trumpet.

'Moonlight Bay' And 'Pinkie' Are Next Den Movies

"On Moonlight Bay" will be the movie shown in the Den on Friday, March 9, at 7:15 p.m. Doris Day and Gordon MacRae are co-starring in this musical.

This movie is an attractive film package of song and sentiment. Small town American characters give everything — young love, the happy middle class family, the mischievous younger brother, the salty but faithful, family maid, moonlight and song, patriotism and the flag. It is based partly on Booth Tarkington's PENROD stories. It will be an enjoyable picture for all to see.

The show "Pinkie" which is starred in by Jeanne Crain, Ethyl Barrymore, Ethyl Waters, and William Lundigan, is a deeply moving exposure of radical prejudice. It shows the effects this prejudice has on the life of a light complexioned colored girl and the inward struggle she undergoes in making her choice between marrying a white doctor and leading a comfortable life in the North or continuing the work for which she had trained in aiding the colored people of the South.

This movie will be shown March 16 at 7:15 p. m. at the Bearcats' den.

Dr. Mulford to Be Speaker

Dr. Harold A. Mulford, Jr., will be one of the guest speakers at the annual meeting of the Midwest Sociological Society to be held April 12 to 14 in Kansas City at the Hotel Muehlebach. Dr. Mulford's subject will be "Toward an Instrument to Measure the Self and Alcohol in the Symbolic Environment."

Those attending the meeting will be sociologists from all parts of the Mid-West.

R. T. Wright to Attend Agriculture Convention

R. T. Wright of the agriculture department will go to Warrensburg, Thursday evening, to attend the second annual convention of the National Association of College Teachers of Agriculture to be held March 8-10.

Mr. Wright will be on a panel to discuss the question: How can the Association be most helpful to the member?

Wilber William Dies at Oregon

Wilber F. Williams, superintendent at Oregon, died Monday, March 5.

Mr. Williams, class of 1931, had served as president of the Alumni Association in 1950 and as president of the Northwest Missouri District Teachers Association in 1947.

He was in his seventh year at Oregon.

Speech and Drama Department To Present Hamlet

(Continued from Page One)

The players of the cast are Carl Redmon, Bernardo; Dan DeMott, Francisco; Gary See, Marcellus; Floyd Worley, Horatio; R. E. Fulson, Ghost of Hamlet's Father; Charles Hagee, Claudius; Bob Wilson, Hamlet; Mrs. Bonnie Vaughn, Gertrude; James Warner, Laertes; Larry Ramsey, Polonius.

Barbara Ann Julius; Ophelia; Jesse Masters, Reynaldo; Gary Chilcote, Rosencrantz; Wilmer Calvin, Guildenstern; Bill Arloff, Player King; Marylyn LaMar, Player Queen; Hiram Lilley, Player Villain; Dan DeMott, Player Prologue; Dan Hochstein, Fortinbras; Don McCartney, Norwegian Captain; Elbert Blair, Osric.

Jeanne Goodson, Marjorie Canon, Mrs. Ruby Wispe, Ron Maurice, and Bill Shultz are Lords, Ladies, Soldiers, and Attendants.

Thank You . . .

Members of the TOWER staff wish to express this means of expressing their appreciation Miss Lois Simons and the Social Committee their kind cooperation in making the Tower Dance possible.

Perhaps it is not generally known that some of the preparation is made by the yearbook staff, the affair remains on the general social calendar and must be channelled through the Social Committee, utilizing committee funds.

DON HERREN,
Editor

HOWARD RINGOLD,
Adviser

The Stroller . . .

"Spring is sprung; the grass is ris'. I wonder where the flowers is." . . . Yes, you guessed. Even though it's only the first week in March, spring fever has hit the Stroller, and most of the other campuses too, as a result of the wonderful weather this past week. Bright light and temperatures in the 60's and above have brought every one out-of-doors to enjoy the freshness of the air.

Baseballs and softballs are beginning to fly in anticipation of the coming season, and glass will be flying, too, if some of the fellows don't watch out!

Speaking of spring weather, the Stroller hears that Dr. Sterling Surrey is well prepared. He keeps a pair of swimming trunks in his tower closet.

The Stroller sends his greetings to Dr. Harold A. Mulford, Jr., who now receives his copy of the Missourian by mail. "Glee-glub" is my wish to you, Sir! Those who want to know the meaning of this should ask one of the Dr.'s former students.

Look out! The wooden soldiers are invading the den! Chess is fast becoming one of the more favored games on campus. Don't know exactly how the current fad got started, but it is significant to note that one of bridge's most trusted standbys, Mary Anderson, has been converted.

Mr. Everett Brown, director of field services, recently returned from a meeting in Atlantic City. As a souvenir he brought back to the girls in his office a box of saltwater taffy. Mmm-delicious! Needless to say, it's all gone.

Did you know that the average human male has 121,630 hairs in his scalp when he is in full bloom. Why complain, then, when you find just one in the butter?

'Nuff said! Better quit for this week. One final word of warning for the wise and foolish alike: MID-TERMS NEXT WEEK!

Members of Colhecon Will Attend Convention

Plans for attending the Missouri Home Economics Convention in Kansas City on March 16 and 17 were discussed at a business meeting of the Colhecon organization on February 23 in the home economics lounge.

The club will be responsible for decorations for one of the sessions at the convention. Virginia Birbeck, appointed chairman of the table decorations committee, with Jean Faubion and Charlene Steiner helping her.

Plans have been made to combine the organization's pen sales for the year.

During Missouri Home Economics Convention, Colhecon will carry out, some of the activities. Doretta Holby, Laveta Wolf and Dorothy Smith have been appointed to a committee to prepare a booklet which is to be sent to high school girls interested in Colhecon.

Money Making Project Is Sponsored by Deltas

If perchance in the near future you should see what might be called traveling saleswomen around, it is merely the Delta Sigma Epsilon members selling all-occasion cards. This sales drive is the sorority's present money-making project. Barbara Boyd is heading the project committee.

Formal initiation for new Delta Sigs was held on Thursday, February 17. New actives are Gloria Jameson and Elizabeth Westergaard.

Plans are now complete for an extensive pledge program for the five new pledges this semester. New Delta pledges are Bonnie Brus, Mary Lou Evans, Ruth Jameson, Jo Parent and June Shaw.

Alpha Phi chapter members recently received a hand loomed table mat from the sorority sponsored Carville, Louisiana, patient in appreciation of gifts given to him.

Did we hear that Barbara Taylor, the Delta's president, just returned from Murfreesboro, Tennessee. It was just a couple of weeks ago that she made a trip to St. Louis!

Coming events planned by the Delta Sigs are the annual spring formal in May and a Mother's Day tea.

Phi Sig Review

Phi Sigma Epsilon fraternity held a smoker on Tuesday, February 28, in the chapter room.

Entertainment for the evening consisted of a few dry jokes told by the master of ceremonies, Jerry White, and several numbers by members of the Sigma Sigma Sigma sorority.

The main talk of the evening, entitled "What a Fraternity Means," was given by Dave Penwell, fraternity president. Mr. W. T. Garrett, sponsor, enlarged on this topic.

A short business meeting was held after the smoker.

Patronize Missourian Advertisers

Alpha Phi Omega

Members of Alpha Phi Omega are happy to announce that Mr. Myles Grabau has consented to become a sponsor of the organization. The sponsors now include Mr. Grabau, Mr. Myrl Long, and Mr. Leonard Levy.

A pledge initiation ceremony and meeting will be held the evening of March 14. Coming activities of the organization will be directing traffic during the spring festivals and the trip to the Lake of the Ozarks on May 4, 5, and 6.

An educational movie entitled "Life in a Drop of Water," was shown at the meeting Wednesday, February 29.

Marilyn O'Connor To Head Sorority

Officers of the Alpha Epsilon chapter of Sigma Sigma Sigma for the coming year have been announced as the following: Marilyn O'Connor, president; Jean Swanson, vice-president; Joanne Beeson, corresponding secretary; Janice Dowden, treasurer; Barbara Benning, keeper of the grades. These girls will assume their respective offices in April.

Joanne Beeson has been chosen to serve as the Sigma Sigma representative on the planning committee for the All Greek Dance, March 17.

Following the business meeting, February 28, a pledging ceremony was held for three new Sigma Sigma pledges who are Mariys Dalton, Dorothy Evans, and Margie Keairnes.

Best wishes to Barbara Nixon on her engagement to Jerry Sprong and violets to Peggy Morrow, the "Perfect Pledge" of the 1955-56 Sigma Sigma Sigma pledge class.

Bob Conley Leads New Rifle Team

The latest project of the Vets Club is the sponsoring of a rifle team. Bob Conley is the elected chairman of this project as well as of the drill team recently organized. Permission to use the Armory and other necessary equipment has been granted by the Commanding Officer in charge of the Armory.

The next regular meeting of the Vets Club will be an open meeting with an invitation to all veteran faculty members and to other veterans who might be interested in our organization.

To all veterans, not familiar with the proposed pay increase, knowledge of this may be obtained by contacting Charles Howard.

The proposed bill is set up to increase veterans' training allowance. Your immediate concern will help pass this bill, and who isn't concerned these days when it comes to the matter of increased finances.

Off-Campus Girls Will Stage Square Dance, Friday, March 9

"Swing that gal and promenade" will be heard above the music at the off-campus girls' square dance which will be held in the Union lounge, Friday, March 9th, from 8 to 10:30 p. m. All male students are invited to attend. There will be no admission charge.

Joyce Ely, a sophomore from Hamilton, has been elected by the group of off-campus girls to serve as general chairman of their group. Joyce, who is majoring in social science, has served as secretary of the Student Senate and has been a member of the Student Christian Association for the past two years. She was also a Tower queen candidate this year.

Off-campus girls have been meeting together monthly. On February 20, the 139 girls elected Joyce Ely as their general chairman. It is their hope that by having these monthly meetings together, they can become better acquainted with each other and will be able to create recreation for themselves.

Mrs. Elizabeth Luer, director of women's housing, has been meeting with the girls.

Bonnie Hooker will head all of the committees which have been chosen to take care of arrangements for the dance. The general dance committee members are Glenda Rice, Aileen Turner and Virginia Barks. Student residents of the Holts' house will make posters. Refreshments will be taken care of by Van Velsen student residents.

Forrest Dowden will provide records and call the square dances.

Chaperons for the evening will be Mr. and Mrs. Steele McIntyre, Mr. and Mrs. F. M. Shutters, and Mr. and Mrs. Elmer Johnson. The householders are all invited to attend.

TKE Fraternity Picks Officers for 1956-57

Fraternity officers for the 1956 school year were elected at the last formal meeting of Tau Kappa Epsilon. The new officers are as follows: Bill Hunt, president; Jim Snapp, vice-president; Chuck Gorton, secretary; Art Buckingham, treasurer; Bill Cordonier, historian; Robert Myers, sergeant at arms; Bob Straub, scholarship director; Dick Dinkel, pledge master; Lou Haning, rush chairman; Harold Lynch and Dick Hargrave, rush assistants.

Frater Art Buckingham has been chosen as the Interfraternity Council candidate for student body president during the 1956-57 term. Art's Student Senate experience and his outstanding capabilities make him a logical choice for this position. Bill Hunt has been appointed as fraternity campaign manager.

Pledge master elect Dinkel has stated that he plans to introduce some new methods into the pledge training program, placing more emphasis upon the social and scholastic betterment of Teke neophytes.

Laurels to Fraters Haning and Hargrave for their excellent management of the TKE volleyball teams.

Morgan Medal To Be Awarded

(Continued from Page One)

committee to be appointed by Dr. J. W. Jones, president.

Mr. Morgan, a former resident of Gallatin, received his bachelor of arts degree at the College in English and history. While on the campus he was a member of the Student Senate; Alpha Phi Sigma, a national honorary scholarship fraternity; Mask and Gavel, a dramatic and forensic organization; and the Young Men's Christian Association.

In 1939, after receiving his LLB and LLM degrees at Georgetown University, Washington, D. C., Mr. Morgan was admitted to the bar in the District of Columbia and in Missouri. From 1936 to 1939 he was auditor in the General Accountant's office, Washington, and from 1939 to 1949 he was an FBI inspector in the capital.

Mr. Morgan, author of "A Pragmatic Approach to the Problem of State Taxation," was associate counsel for joint committee in Congress investigating the Pearl Harbor disaster and wrote the official report in 1946. He was counsel for the committee for the District Conference, House of Representatives, in 1946, and was chief counsel on the sub-committee of the Senate Foreign Relations Committee, in 1950.

Mr. Morgan was also National Director of Enforcement, Office of Price Stabilization, in 1951. He is a member of the Bar Association of the District of Columbia, Illinois State, the American Bar Association, Federal Communications Bar Association, and the American Judicature Society.

Hutchings Is Commissioned

Ernest R. Hutchings, Pittsburg, Kansas, recently received his commission as a Marine second lieutenant in the Joplin Marine Corps reserve unit. Ernie was graduated from the College last semester with a bachelor of science in secondary education. His major was industrial arts.

Hutchings, a recent Bearcat football player, will be assigned to the Marine Corps schools at Quantico, Virginia, for officers' training.

Time for spring housecleaning. Don't be a litterbug. Clean up the campus.

Baseball, Track, Tennis, Golf Begin Soon

Bearcat Nine Prepare to Open Baseball Season at Rockhurst

Tennis and Golf Teams to Start Competition Soon

Baseball will also be another major sport of this spring. Coach Bob Gregory reports that as of now there are fifty students out for the sport. As the weather has been bad, the practice has been consisting of throwing in the gymnasium and getting into condition. Until the weather makes a decisive change, the players will remain inside. The first team that the Bearcat nine will oppose will be Rockhurst College, April 4th, there.

Also included in this spring's major sports is tennis. Anyone wishing to play tennis should report to the gymnasium today at 4 o'clock. If the weather allows, the players will meet on the courts. According to Dr. Frank Grubé, this will be the first official call.

The numerical standings, derived from last fall's competition, are as follows: No. 1, Charlie Adair; No. 2, Bob Smith; No. 3, Dan Evans; No. 4, John Wood; No. 5, Jerry Dancer; and No. 6, Don Pierpoint. Several others are as yet unnumbered. A player can change his standing by challenging the player just above him and beating him.

The Maryville tennis team has had very good tennis records for not being a traditional tennis school like the other colleges in the Conference. The teams have placed second for the past two years in the state meet.

The first tennis meeting will be against the Lincoln Tennis Club of Lincoln, Nebraska, April 7th.

Also all organizations should be getting their lists in for the intramural doubles in tennis.

As soon as the weather permits, there will be a meeting of students interested in varsity golf. Dr. H. D. Peterson will set the date later. The golf team will meet Nebraska Wesleyan at the Maryville Country Club on March 29th.

The College has a wide variety of sports this spring, and every student interested should contact one of the coaches at the gym.

Richard Maack Wins Sportsmanship Award For Conference Play

The winner of the MIAA Conference 1955-56 basketball sportsmanship award was announced last Wednesday by Commissioner John Waldorf.

Richard Maack, brilliant play maker and scorer for Coach Boyd King's champion Bulldogs of Kirksville, received a 17 Jewell Elgin wrist watch as the outstanding sportsman of the Conference.

A total of thirty-three men from the six conference schools received votes as outstanding sportsman in some game in which they competed during the season. There were 163 votes cast; they were extremely close between Maack and Dennis Hunnicutt. Hunnicutt was high scorer for the Rolla Miners and also number 2 in the conference scoring. Maack received 17 votes for the award, while Hunnicutt was selected sixteen times by observers. Rob-

ert Gunter, Warrensburg; Dana Sharp, Maryville; Richard Eichhorst, Cape Girardeau; and Max Oldham, Springfield, led their respective teams in the balloting.

In determining the outstanding sportsman, the game officials select a man in all games played by an MIAA team. In conference games members of the local press and radio are asked to select an outstanding sportsman on the squad of the visiting team, and in addition a member of the athletic department is asked to select a man of their choosing from the team of their opponents.

Other Bearcats receiving votes were Lex Creamer, Mike Hutcheon, Bob Alcorn, and Weldon Dowden.

In the final conference scoring Bill Ausmus, Kirksville, was number 1. Sharp and Creamer tied for eighth spot with 12.6 points per game. In the final of all games in scoring Alcorn was number 7. Creamer was number 8 in all scoring.

Darrell Walker won the award for the outstanding sportsman in the MIAA in football.

Don't be a litterbug!

Random Shots . . .

Congratulations to Coach Gregory's lettermen in basketball this season. Hope we have most of these men back next year when the hardwood call is made.

Fun was had by all who attended the smokers held last week by the organizations on campus.

According to the Associated Press, the Bearcats placed two men on the All Conference basketball second team. These two are Lex Creamer and Dana Sharp. Bob Alcorn was given honorable mention. The coaches will select their choices before long.

Everyone seems to have survived Sadie Hawkins week. The dance was enjoyed by all who attended.

It is hoped that the intramural volleyball tournament will be completed by this week. Doubles in badminton will start immediately after the completion of volleyball. Anyone wishing to play badminton should see the captain of his preferred organization or sign up on the bulletin board in the gymnasium.

With this fine weather we're having, athletes will be outside getting into condition for their coming meets. Drop down and see what you think we will have this spring.

We have another "Varsity" man on Campus. Instead of Vic, it is "Varsity" Dick (Wogan).

Coach Gregory's major sports class will be getting the baseball diamond and track in shape as soon as weather permits. Sounds like fun.

Congratulations to Coach Burton Richey's fine Horace Mann basketball team this season. They have won 31 straight now. Good luck at the State.

The Sig Taus are currently leading the volleyball tournament. There has already been one forfeit; so everyone who is supposed to play, get there on time!

Northwest Missouri State College M Club

Above are the members of the College letterman's club. The new members who have earned varsity letter have not been initiated yet. The above men have earned a varsity letter in either basketball, football, or track. Pictured left to right on the first row are George Haskey, Weldon Dowden, Jack Spence, Ric Tilton, and Fred Maher. Second row: Ron O'Dell, Jerry Dancer, Vic Cronin, Gene Johnson, Russ Davenport, and Floyd Worley. Third row: Darrell Walker, Lex Creamer, Wayne Jackson, Mike Hutcheon, Logan McGinnis, Larry Bolar, and Ed Messbarger. Fourth row: Harlan Greaves, Bob Smith, John Schulze, Don Schenkel, Larry Butler, and Glee Guess.

Final MIAA Standings

Kirksville	8

Springfield	6
Cape Girardeau	6
Rolla	2
Maryville	1

Coach Milner Begins Bowling and Golf Class

Coach Ryland Milner is supervising the P.E. 60 class this semester. This class consists of bowling and golf. Bowling is scheduled for the first nine weeks with golf to follow at the Maryville Country Club.

Coach Milner started the class with the fundamentals of the game. Included in this were the scoring of the game and the weight of the ball, dimensions of the alleys, and spacing in the alleys. Now the students are bowling in teams in a contest.

Members of the bowling class are Wilton Hinkle, George Steffen, LeAnn Butler, Dick Weber, George Green, George Struck, Don Moore,

Donna Thompson, Tom Lawlor, Yola Mosman, and Joyce Lash.

Ron Shannon, Jack Groom, Dan Dupy, Dan Evans, Phil Bram, Charles Bennett, Virginia Birbeck, Ben Gillis, Wayne Andrews, Beren Johnson, Gordon Hill, Sharon Olson, Verna Wright, Gary Chilcote, Dan Laughlin, Frank Joenks, Elaine Tassell, Mary Howland, Don Horner, Elaine Schroeder, and Margaret Robinson.

Final ALL Games

Kirksville	17
Springfield	15
Cape Girardeau	12
Warrensburg	9
Rolla	5
Maryville	5
